

Tennessee's New Watchable Wildlife Stamp

Buy the new "Watchable Wildlife Stamp" and invest in Tennessee's future.

For the first time ever, the Tennessee Wildlife Resources Agency, in partnership with the Tennessee Wildlife Heritage Trust, is offering a collectible stamp featuring nongame wildlife. The image on the new stamp is a Carolina Wren, reproduced from a beautiful painting by noted Tennessee wildlife artist, Johnny Lynch. Proceeds from the sale of stamps will be dedicated to programs that conserve, protect and restore nongame wildlife and their habitats.
